Presentation slides	(to be filled by group chairs)

Session summary (to be filled by group chairs):

We will use the content in the table below to highlight your work to the RDA community in a report by the Technical Advisory Board ([RDA P25 report example](#)). **Please complete ALL fields below by Thursday, 2 April, to be included in the report** and other communication. We also ask you to update your group webpage with the key takeaways from your post-plenary session.

1.	Describe what your session is about in three sentences maximum: <i>(Example: This session was about ... The key points the session covered were to finalise / update / discover / identify ect.)</i>
2.	Highlight a maximum of five key outcomes/actions/takeaways of your session: <i>(Example:</i> 1. Need to learn more about how... 2. Review tools to identify next... 3. Discussion about upcoming... 4. Identify future collaboration with... 5. Follow up with new members...)

[Note this information is used for creation of an interactive map ([RDA P25 map example](#)) included in the post-plenary report. It is also used to enable further development of collaboration / cross-fertilisation knowledge exchange activities within RDA]
