BUY-A-BOX fundraiser tool

We want to help you make affording Camp Agape as worry free as possible.

We have set-up a simple fundraising method to help your child raise ALL the funds necessary to attend camp. It's called "Buy-A-Box". Each box has a dedicated number that represents the cost of the box, i.e. box "12" costs \$12 to buy.

Once your child has all of their boxes sold, they will have raised every penny of cost to send them to Camp Agape!

There are two pages below that you can use to help you get started:

Page 1

can be printed as is and then you can "write in" the information for the "How to give" section.
Please collect all payments personally. Sacred Mission Church cannot accept camp donations directly.

Page 2

is set up for you to be able to add a QR code to your preferred payment method (paypal, venmo, etc.)
Please collect all payments personally. Sacred Mission Church cannot accept camp donations directly.

Feel free to use either of these pages however you'd like - you are free to make any changes you'd like. To edit this doc, simply download this file or make a copy to add it to your Google drive account.

Thanks!
