

Welcome to our break out session. In this session we will be discussing what YOU would like to see US do with YOUR basket money! The following is a list of items and/or ideas of what we could do. What we are looking for is to get an idea of what to prioritize. While this is regarding funds Area 30 has, we want to point out that several of these initiatives can be items that your group or district can do as well, some as standalone projects and others in conjunction with Area Committees.

- Outreach
 - Our delegate, area officers and committee chairs can come to you! We can visit your districts and provide information.
 - Health fairs and recovery events
 - Professional conferences and conventions
- Literature distribution
 - Our various committees can get literature to corrections facilities, treatment centers, libraries, police stations
- PSAs
 - Billboards
 - Video Streaming Services
 - Audio Streaming Services
- Events
 - Area 30 and/or the committees could have workshops and events providing further information on the 12 step work that can be or is getting done
- Updating technology
 - Continue to invest in our website
 - Continue to invest in our hybrid capabilities
 - Continue to invest in better communications
- Growing our knowledge
 - Sending our area officers, chairs and members to annual conferences and conventions to learn more about best practices
- Housekeeping items
 - Printing of Area Handbooks and other materials (insert current spend)
 - Hiring professionals (i.e Bookkeeper, Webmaster - describe why it could be needed)
