

The most difficult task in everyday dealings is the decision to keep going even in the face of uncertainties and failures. The quote highlighted that it is difficult to keep our resolve to continue working on things everyday. But you have to keep working in order to win the game and that's why I personally do not give up on anything in my life. It is easy to believe in oneself when we are winning but it's difficult to keep on moving when we are failing. I always fight for my goals and dreams till the very end.
