SAKTU
(Heisenberg, Rawax)

Saktu, a DJ, producer, and label owner, has been a driving force in the minimal house scene for over 29 years. Widely recognized for his pioneering contributions, Sasha has performed at the most prestigious clubs worldwide and boasts an impressive catalog of vinyl and digital releases on renowned global labels.

After being invited to create official vinyl podcasts for both Decks.de and XLR8R magazine, Sasha quickly established himself as "The One to watch" in the industry. In 2014, he founded Heisenberg, one of the most influential minimal house labels, where he has been releasing more than 100 of Digital & Vinyl releases and curating cutting-edge events and performing in iconic venues across Berlin, Ibiza, Amsterdam, Riga, Barcelona, Zurich, and Thailand.

In 2016, Sasha unveiled his solo alias SAKTU, adding a new dimension to his artistic journey. Around the same time, he co-founded OGNI with Dave Vega & Tobi Neumann, a project that led to highly acclaimed EPs released on Mobilee Records, Oblack, and their own Ogni Tapes imprint. Together, they hosted unforgettable events at Berlin's legendary Club der Visionäre & Hoppetosse.

Now based in Barcelona, Spain since 2025, SAKTU continues to evolve, bringing his distinctive sound and forward-thinking energy to new audiences across the globe. With a deep passion for music and innovation, SAKTU's journey is far from over, and the future promises even more exciting milestones in his illustrious career.
