
ART CREDIT

Please go check out all these amazing artists, and if you have a tumblr go like and reblog their hard work! I'm still working on tracking a couple of the artists due to complications with them changing their blogs or such, so if you see any missing credits here and know the original artists, please let me know!

INTRO || 「 corydalis 」

- <http://prinzcake.tumblr.com/post/151624293683/hang-in-there-space-dad-o-%E0%B8%87-voltron-team>
