

Job Description

Volunteers

Volunteers are staff between the ages of **12-13**, or **anyone older that needs volunteer hours**, who have limited responsibility and are learning how to become Camp Staff Coaches-in-Training (CSTs) in the future. Volunteers are eligible to work both Recreational and Competitive Camps. Volunteers **receive only service hours at the end of their week**.

Volunteer Service Hours and Compensation

Volunteers will receive service completion hours based on how many hours worked over the course of a particular camp week. If a staff receives service hours they are **not** eligible to also receive payment for that specific camp week. Specific service hour details will be outlined in their contract.

Working Conditions

This is an hourly role that has set hours of work depending on the camp week details. The Volunteer must be eligible to work in the U.S.

Responsibilities

- All paperwork completed and turned in
- All onboarding steps must be completed
- All training steps must be completed
- Mandatory staff meeting attended
- Timely communication with Director On Site
- Confirmation of all camp day availability
