

Hi Spud Crusher Racers,

Can you feel the excitement? We're just one week away from welcoming all of you to Pemberton for an unforgettable day on the trails! We've been working hard behind the scenes to make this event amazing, and we're so excited to see it all come together.

So get ready to bring your fabulous looks, your good vibes, and your race-day energy. Here's everything you need to know for next Saturday's event:

Parking

Drive to [Den Duyf Park](#) and park in the large lot closest to the road—look for the event parking signs and park parallel to the road.

Sign-in

Sign-in opens at 7:45 am and closes at 9:15 am – come early to avoid lineups!

IMPORTANT: Don't forget your ID, and if you're under 19, make sure you bring a guardian with you to sign the paper waivers at sign-in.

9:45 am - Short Course

Safety protocol: Safety phone number is 604-935-8567

We rely upon mutual aid for the event. If you come upon an injured rider, **stay with the rider** and send the next rider ahead to notify the finish timers. The timing staff will contact the safety team and close the stage as appropriate.

Seeding

We utilize self-seeding with approximately 30-second intervals. Please seed yourself accordingly. If you need more time, please ask.

Respect the trails

No ridiculous cut lines!

On-course food and fluids

One aid station is available with snacks and water; anticipate providing most of your own food and hydration. It will be located at the top of Radio Tower on Linda Road.

Event Cut-off Time

To ensure event safety and out of respect for volunteers, you will need to start your last stage by 2:45 pm.

Apres

Starts at 3 PM with awards at 5 PM. You must be present to receive the prize.

No dogs allowed. Apres is located a short pedal from Den Duyf Park. Please follow signage, there is no parking available at the venue. Respect our hosts' private property by using the washrooms, cleaning up, and just plain old being a good person. Our catering partner has asked that riders grab food when you arrive at apres to avoid lineups. I repeat, no dogs allowed. Bring cash or a card for apres extras!

Volunteers: Everyone on the course and organizing this race has volunteered their time! Take a moment to thank them.
This is a community fundraising event for PORCA, Search and Rescue, and the Diabetes Foundation!
