## **Steps to register your child:**

1. Complete this google form for **EACH** of your children participating: (Find it on our facebook page or school website) [ACS Ski Program Student Information Form](#) **before November 14, 2025**. NO LATE registrations will be accepted, this is Gunstock's deadline!
2. Once you submit the above form, it will give you the link to register with Gunstock. Please do not register with Gunstock until you submit the information form above. When completing the Gunstock registration, please create the account under your name and your child's names will be under associates.
3. Once you have completed the above 2 steps, we will send home a Field Trip Permission Form, Emergency Form
4. Fill out the digital [Alternative Transportation Form](#) if your child will be staying at the mountain or will not be riding the bus back to school.
5. Registration is complete when you have completed registration, payment and waiver signing on the Gunstock websites as well as filled out and returned all forms to us.

**Chaperones!** We need your help to make this program run smoothly! This is an important step in our program because we aren't able to run this program without chaperones! Remember, you do not need to be a skier/snowboarder to help with the program. All chaperones are required to be fingerprinted. Please reach out to the office if you have not completed this within the last year. We are looking forward to working with you and making this program successful!

**Lessons are required as always!** Please look carefully at Gunstocks chart when signing up your child to make sure they are in an appropriate leveled lesson. If during the first week it is noted they are in an inappropriate level lesson, it will be changed for the following week by Gunstock. Outreach coordinators have no say over the lesson changes.

There will be very limited scholarships available. If you are looking to get a scholarship please email Laurie Ekberg our Social Worker at [lekberg@sau72.org](mailto:lekberg@sau72.org). Your child will be responsible for picking up the appropriate paperwork from Mrs. Ekberg and return it by 11/7. **All scholarships will be midweek passes only!**

If you have any questions or concerns please contact Melissa Cain and Danelle Durkee.

We are looking forward to another great season!
