

# Welcome to the Ponders End Youth & Family Hub

All families need support from time to time to help their babies and children thrive, whether that's from friends, family, volunteers, or professionals.

Ponders End Youth & Family Hub brings together lots of different services for children and families, making it easier for families to get the help they need at the right time. We offer help and support for families, from pregnancy up until age 19, or 25 for young people with special educational needs and disabilities.

Our Youth and Family Hub provide support for any family, child or young person living in Enfield who needs them. Our doors are open to everyone, ensuring that families get the help and support they need.

**Who can I see, speak to & find out more / ask for help?**

There is a Family Navigator at the hub to support families to access information, advice, and services.

**To find out more:**
