***PARKING DROP/OFF INFORMATION**

CAHS Studio Campus: 207 East Pennsylvania Avenue, Escondido, CA 92025

We would encourage parents to park and stay for the Freshman for a Day event! There is parking in our two lots to the north of Pennsylvania Ave or in the public lots on Valley Pkwy (Public lots are off limits to students on typical school days). Just find a parking spot and walk with your student to the front of the school where students and parents will be splitting off for the remainder of the event. Parents are welcome to stay and socialize with other parents and/or participate in Q&A until their student is released.

If you would like to drop your student off for this event and attend the parent orientation on Wednesday, please drop your student off on one of the sidewalks on Kalmia Ave. or Pennsylvania Ave. Students may also attend on Wednesday with their parent, but this will not be the same student focussed event that is taking place on Monday.

CAHS - PL Campus: 130 Woodward Avenue, Escondido, CA 92025

Parking is located in the Public lots on the south side of Woodward Avenue near The Boys and Girls Club and Jim Stone Pool. We would encourage you to park here and walk to the studio campus if attending both events!

Any student who has been dropped off at the Studio FFAD event can meet at the flagpole after the studio event to be walked over to the Personalized Learning Campus.
