Watch the video segment and guess what **might have happened** to the characters. Check the options you believe are possible explanations for the characters' current situation.

(x) Jen **might have taken** too many tranquilizers in the previous night.

(x) Her daughter **might have had** a domestic accident.

( ) Jen **can't have hurt** her daughter.

( ) Jen's daughter **might have hurt** herself.

( ) Jen's husband, Jim, **must have died.**

( ) Jim **might have died** in a car accident.

( ) Jen **might have hit** her head on the floor and can't remember anything.

( ) One of the children **can't have been** attacked by a mad dog.

Now rewrite these sentences using past modal verbs to express probability/ possibility/ impossibility.
