

Name : Henrietta Shelby Osborne

Birthday: April 07, 2005.

Age: 17 years.

Height: 5'8".

Weight: 84 kilograms.

Nationality: Australian.

Godly Parent: Poseidon

The camper known as Henrietta or Henri, as she wants to be addressed, is a returnee at Camp Half-Blood. Nessa Woufle is the person with whom she is now associated with at camp. She may be characterized as calm, attentive, and courteous, among other qualities. Despite the fact that she is the daughter of one of the big three, she makes every effort to remain out of the limelight. She is a young lady of few words, and she does not waste her breath in settings where she believes she would be drowned out. Her calm disposition comes in helpful when it comes to a few of her heavenly abilities.

Appearance: Henri is somewhat taller than the typical female height. As a result of years of surfing and swimming, she has developed fairly powerful legs. Her body type is medium-built. She was given a tinge of colour by the Australian sun. Hair coloured in whatever colour she could get her hands on was the norm for her mousy brown locks. She has eyes that are as deep and blue as the ocean itself.

Godly Abilities:

Atmokinesis: They have limited control over the weather. They can create small hurricanes and storms to attack others or for defense.

Hydrokinesis: The ability to control water with the mind. They can will themselves to stay dry in water, extract water shoot from petrified seashells, create oxygen bubbles underwater for people who cannot breathe underwater, and harden water to form solid ground to walk on or

shields. They even can make giant fists of water that mimic whatever they do, which can be used to grab enemies or smash them into the ground.

Vitakinesis (limited): They can use water to strengthen themselves and heal most wounds, the amount of water and time needed for the healing being

Water Immunity: If they fall into the water, they will be immune to water pressure. Additionally, they can breathe underwater for unlimited amounts of time and see in the darkness underwater.

Perfect Bearings: They always know their exact nautical coordinates wherever they are, which allow them to easily navigate their way at sea.

Instinctive Understanding of Sailing: They have an instinctive understanding of sailing, letting them know which ropes to hoist, which sails to raise and which direction to steer. They can even detect what speed they are moving at and understand just how fast that is.

Hobbies: Surfing, Swimming (Obviously), and painting

Weapons: Trident and Shield.
