What a Wonderful World

I see trees of green, Red roses too
I see them bloom, For me and you
And I think to myself What a wonderful world.

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself, what a wonderful world.

The colors of the rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands, saying, "How do
you do?"

They're really saying, I love you!

I hear babies cry I watch them grow
They'll learn much more, than I'll ever know
And I think to myself, what a wonderful world
Yes, I think to myself, what a wonderful world!

She'll be Coming 'Round the Mountain when She Comes

She'll be coming around the mountain when
she comes (Choo choo!)

She'll be coming around the mountain when
she comes (Choo choo!)

She'll be coming around the mountain
She'll be coming around the mountain
She'll be coming around the mountain when
she comes (Choo choo!)

She'll be riding six white horses when she
comes (Whoa back!)

We'll all go out to meet her when she comes
(Hi babe!)

She'll be wearing red pajamas when she
comes (scratch, scratch!)

She'll have to sleep with Grandma when she
comes (snore)

We'll all have chicken and dumplings when
she comes (Yum yum!)

We'll all play hide and seek when she comes
(Home free!)

She'll be coming around the mountain when
she comes (Choo choo!)

This Little Light of Mine

This little light of mine, I'm gonna let it shine!

This little light of mine, I'm gonna let it shine!

This little light of mine, I'm gonna let it shine!

Let it shine, let it shine, let it shine!

Everywhere I go, I'm gonna let it shine!

Everywhere I go, I'm gonna let it shine!

Everywhere I go, I'm gonna let it shine!

Let it shine, let it shine, let it shine!

All around the world, I'm gonna let it shine!

All around the world, I'm gonna let it shine!

All around the world, I'm gonna let it shine!

Let it shine, let it shine, let it shine!
