[1] Setting and Infrastructure (SI)

[1.4] Campus Setting

Description:

Sisaket Rajabhat University (SSKRU) is located in Sisaket Province in the lower northeastern region of Thailand. The university is situated in a semi-urban area that supports education, local community development, and sustainable initiatives. Sisaket Province covers a total area of approximately 8,839.90 km² and has a population of approximately 1.44–1.45 million people, with an average population density of about 164 people per km². The province is recognized for its cultural diversity, agricultural resources, and important role as an educational center in northeastern Thailand.
