Personal Web Page - Define

Brainstorm Content

You will be creating your own personal web page. An important part of building a web page is defining the purpose of the page. Since this is your page, you'll be able to decide what hobbies, interests, or messages you'd like to share. Use the prompts and space below to brainstorm content you'd want to include in your personal website.

- What are things you like to do for fun?
- What are things you know more about than other people?
- What are things you care about in your school, your community, or even the world at large?
- What messages do you want to share with a wide audience?

Use the space below to write your ideas.

Web Page Purpose

Choose **one topic from your list above** and explain what the purpose of your web page will be.

What will make this page special to you?

How will you know that your web page is successful?
