    i. Standing rules suspended to allow the ESFAC committee to sit at the table.
    ii. If you haven't taken a look yet, we have taken your concerns into consideration and have adjusted the slate as we see fit.
        1. The hand dryers - the study was discredited and these dryers are easy to clean.
        2. We removed the office position for this year.
        3. I am very proud of the committee and the work we have done. I am hoping that on this Earth Day everything goes smoothly.
    iii. Q: The money for the office is just for events. Emily: Itemized breakdown of the $2,000, or just programming? A: It is for programming, based on events that are already in place and it will be given more monthly or as needed. The local foods lunch would be coming out of this, stuff like that. Laura: Because this is a fee, I don't know if allotment can happen in small spurts. They may want to do it all as one sum, so the office may need to be very transparent. Deanna: What is the main purpose for the maintenance? A:Solar panels and installation of the water bottle fillers and hand dryers
    iv. Discussion: Caleb:I like this a lot better; I think it is better to start small with the office funds and think it is great to be transparent. Thank you for your hard work. Lauren: Thank you for your hard work. I like this a lot better. Beth: I am a fan.
    v. Adopted by unanimous consent.
b. Second Read: A Resolution Supporting Collaboration on Street Clean-Up Efforts with Kirksville High School Student Government (Cooper)
    i. I don't think anything has changed since last week. It's just talking about the event with the high school and we would like to see it continue in the future.

ii. Discussion: Remy: I am opposed to this because of double cleaning and the route and such. Sarah: I think that that is something we can work on in the future. Jared: Is there a long-term goal of getting this into the standing rules for this committee?
iii. Adopted by unanimous consent.

c. Second Read: A Resolution in Support of Funding an Engraved Sesquicentennial Brick Paver (Schmidt)
i. This will come out of the budget. Nothing else has changed.
ii. We are getting the replica paver.
iii. Discussion: Friendly to include Stacey Tucker Potter in the disseminated section, or Office of Advancement
iv. Adopted by unanimous consent!
