5. Rags update

Sales have fallen off for the last few hashes. We are not getting that many visitors and virgins. We've done special sales which have done well - this take away from rags sales (not a bad thing). Antique will make an order to make sure we have sizes of popular shirts for sales. We have an overstock of Harriettes shirts. **ACTION Antique**

Some future ideas are a Jungle beer cooler. DLAG and Antique are researching cost (i.e. can size, bottle size, hands free, etc.). They will also research Jungle shorts and long trousers (i.e. Belgian style, boxer style like Corona's).
