No VOCs; We care about you!

Many regular paint products contains volatile organic chemicals that are responsible for the toxic smells after painting and significantly bad for your health. With zero VOCs in every bucket of SlimPaints, you can be sure we care for your walls as well as your lungs.

Economical

Text: More coverage means less buckets and low budget. You get the value of 3 buckets of regular paint in 1 bucket of SlimPaints, and with less.

Super fast drying

Pack your stuff out and put em' back the next hour, it's that fast!
