

TIMELINE REVIEW

Purpose

Reviewing what you've learned will help you prepare to investigate and predict what the future might hold.

Process

1. Review the [Big History Timeline](#) and complete the table below by selecting four underrated events that you think are the most important to the Big History story. The trick is that you can't choose any of the thresholds.

Event	Explanation for why this event is important in Big History

2. Which one of your events do you think is the *most* important? Why?
