

PRAS Grant Application Request Form

Grant requests should support PRAS's mission to engage in programs that provide to members of the public education about and appreciation for birds; increased knowledge and awareness of birds and birding; and conservation, preservation and restoration of natural bird habitat for the benefit of humanity and the earth's biological diversity.

Grant winners are required to share photos of your events or projects with PRAS so that we may showcase them on our website. Please email photos to: praudubon@gmail.com

Questions? Please contact Dennis Schmadeke, PRAS Grants Coordinator, at 319-240-7046 or email dennisschmadeke@gmail.com.

* Required

1) Project Name * _____

2) Total Amount of Funds Being Requested * _____

Not applicable _____

8) Specific Activities or Details for your Project * _____

9) Detailed Budget for Project - Provide an itemized list of how are funds to be used. A detailed spreadsheet of itemized expenses may be sent to dschmadeke@cfu.net * _____

10) Timeline for Grant Project - Note Specific Start and Completion Dates * _____

11) Check all that apply: *

____ We are requesting full funding for our project.

____ Our project budget exceeds \$1,000-we will accept partial funding. Note: Please provide itemization of expenses so awarding of partial funding may be better informed.

____ Our project involves utilizing bird specimens or other biological substances that require special permits. Note: You may be asked to provide proof that required permits have been secured.

____ We would like advice about re: appropriate binoculars/bird feeders, supplies, etc. for our project. Note: 8x42 binoculars are optimal for bird watching; PRAS members can provide advice re: affordable options for quality and durable optics. Email pradubon@gmail.com with questions.
