

Moving a Student to a New Group

1. If a student will be moving to a new group, our recommendation is to end the plan in the original group for that student. Once you've identified the student within the group's goal or progress monitoring table, select the **triple dots**, and select **end plan**.

EB Emily-Rose Barry: Groups

[← All Groups](#)

Progress Monitors (4)

Aimsweb - MIDE Letter Naming Fluency

🚩 Goal: 90 📅 Use selected weeks ...

EA	Eunice Abernathy Assigned to Shampa Manager	...
JA	Joanny Abernathy Assigned to Shampa Manager	✎ Edit plan 🗓 End plan 🗑 Delete plan
FA	Floyd Adams Assigned to Shampa Manager	
NA	Nelson Adkins Assigned to Shampa Manager	

2. When you add the student to a new group, you will see a modal that allows you to add the plans for the new group to this student as well.
