

**Hope Central AA Group
July 2022 Group Conscience Meeting
Agenda Items**

The July Group Conscience Meeting will be held via Zoom at 7 pm on Monday, July 18, 2022. During this time, the following items will be discussed and possibly voted upon:

I. Sunday 9 pm Meeting

A motion was made at the July Steering Committee meeting to bring to a vote at Group Conscience discontinuing the Sunday 9 pm meeting.

II. Report from Summer Assembly and Call to Action

Our GSR provided feedback from the Area Meeting and with a strong sense of urgency is moving for members of the group to make sure they're aware of proposed changes being discussed and voted upon at the Assembly that impact AA as a whole and our group as well. These items include changes to the literature, the ability for delegates to share information with alternates in the event the delegate can't attend an assembly, the ability for Spanish speaking communities to have translators for assemblies, how donations to the GSC are handled, and many more. Once educated, members should make their voices heard by filling out the form posted to the website and submitting it to Jennifer or to the address provided, no later than 9/15.

III. Stepping Stones Virtual Presentation

It was proposed at the July Steering Committee meeting to have a virtual presentation of Stepping Stones, the home that Bill and Lois lived in, in November. This would take the place of the Friday night Speaker meeting.

IV. Participation

A discussion item was proposed at the July Steering Committee meeting regarding the need for more participation at both the committee level and the group level.

V. City Wide Event

A discussion item was proposed at the July Steering Committee meeting regarding sponsoring a City Wide Monthly Event. This would require at least 8-12 of us to volunteer to staff the kitchen, set up tables, etc.

VI. Open Positions

We have some open positions available that we can discuss and vote upon chairs.
