Walking in a Winter Wonderland

A song that epitomizes winter. Could be the joy of the first snow, the misery of bitter January cold, the monotony of a dreary February, the escape of a vacation to sunnier climes, or laughing cause you live in the tropics. You WILL be docked cat fit points for an explicitly holiday song, tho.

New York city, by they might be giants. Submitted by Dunia.

Kay says: his voice is really annoying, the lyrics and the instruments are good but I can't get over his voice. [Then she made an egh noise that when asked about, was described as a Karen grunt]

Clem says: I know two songs by this band now, and they're both about cities. I am now under the assumption that they sing exclusively about cities.

Scoring: 7/7, 3/7, 5/7, 15/21
