Learning guitar does not have to be hard. I should know, I wasted years trying to learn to play guitar on my own.

"I thought it would be easy to just pick up a book and teach myself to play guitar. Boy, was I wrong. It wasn't until I found an experienced teacher and took guitar lessons that I actually made the progress I wanted to. I want to give you the electric and acoustic guitar lessons I wish

I had when I was learning.” - Lauren Bateman, owner
