Pre-IB designation is used by Hoover City Schools and not the official name authorized by the IB Organization. Advanced Level was formerly called Pre-AP -- a designation that was not an official name authorized by College Board.

Students must be enrolled in a minimum of two IB classes in grades 11 and 12 to be part of the HHS IB Program. Note that some courses require a two-year commitment while others can be completed in a single year. IB Diploma students take IB courses in all the subject areas listed.

IB Diploma Requirements:

* To achieve the IB Diploma, students must complete the courses in each of the groups listed below.

Students who opt for IB Courses instead of the full diploma, need to be enrolled in at least two IB courses each year in any of the groups listed below.
