How can I access my cards and information?

You may have received some benefit cards in the mail already, but if you are still waiting, below is how you can retrieve temporary (or permanent) copies of your benefits cards:

Medical/Healthcare

Temporary medical cards, and requests for replacement physical cards, can be obtained by creating or logging in to your Blue Access account at https://www.bcbstx.com/trsactivecare. Alternatively, you can call **1-866-355-5999** to speak with a Blue Cross Blue Shield Health Guide.

Pharmacy: You can access a temporary pharmacy card, and request new cards via mail, by creating or logging into your pharmacy account at https://www.caremark.com/.

Dental

Guardian generic dental cards which can be used in September can be accessed in the FISD Benefits Hub.

Vision

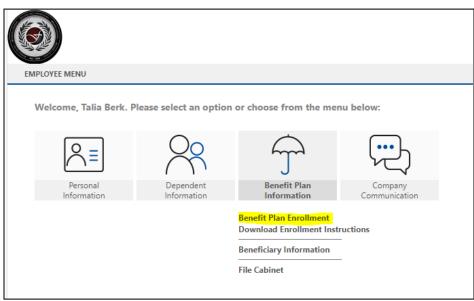

Temporary vision cards can be obtained online through the <u>Superior Vision Member Portal</u> or by calling Superior Vision at 1-800-507-3800.

FSA and HSA

FSA and HSAcards will be sent out within 10 business days of the plan start date. If you have not received your card after this time, you have one of three options: you can create an online member account at https://nbs.wealthcareportal.com/ (use Employer ID NBS527667), or you can contact NBS via phone at 855-399-3035 or via email at service@nbsbenefits.com.

Where can I see what I elected?

Your election information is available in the <u>FISD Benefits Hub</u>, under the **Benefit Plan Information** icon. Click **Benefit Plan Enrollment** to see your current (and future!) benefit elections.

Benefits-Frequently Asked Questions

When will my deductions begin?

The benefits plan year runs from September to August every year. Any deductions for benefits elected during Annual Open Enrollment will begin with your paycheck in **September**.

What can I do if I need to make a change? What is a Qualifying Event?

Once Open Enrollment is closed, most benefit selections cannot be changed for the plan year unless an employee has a "qualifying event." A qualifying event is anything that changes an employee's number of tax dependents (marriage, divorce, death, birth or adoption) or the employee's access to insurance coverage (gaining or losing a job, spouse gaining or losing a job, or a dependent reaching age 26). **Documentation of the event is required** - this can be letters from insurance carriers or employers, documentation of birth or adoption, etc.

So what do you do when you've had a qualifying event? You will have two action steps:

- 1. Provide documentation to HR (at mkmccoy@forneyisd.net), and
- 2. Elect changes to your benefits within 31 days of your Qualifying Event effective date. If you do not make changes (notification of intent to make changes is not sufficient), you will lose the opportunity to do so until the following annual open enrollment period.

Employees can make changes to HSA's during the plan year without having a qualifying event.
