

Royal Honey Lip Balm

By Citrus

Summary

do you want to be androgynous and have thicc lips? I gotchu

Stats

Max Stacks: 3

Short name: Honey Balm

Long Name: Royal Honey Lip Balm

Description: A small container of lip balm. It only has enough for one application as it is more often used for treatment than for fashion.

Vendor: Aurera

Value: 25 EC

Applications

Using The Item

Removing the lid of the little container, you take some with your index finger and apply it to your lips. The sensation is pleasant, warm, and it smells pretty nice too.

Transformations

As you finish applying the balm, you feel your lips become softer and more plush. You smack your lips together experimentally and **feel that your lips are fuller than before.**

Increases Lip Mod By +1 to a cap of +3
