Thank you for considering our festival this year! The Summer Festival has been a community event for over 30 years, with participation from local businesses, artisans, churches, and charity organizations, and averaging 2,000 visitors. Each year, the main attractions have been the parade and the fireworks launched on Saturday night by Pyrotechnico, along with an invited "featured" attraction when possible. Information is available on the website, and more will be posted closer to the festival dates.

The booth size is 12'x12' @ \$20.00 for Saturday only. The reservation fee will be returned during or after the festival. The application deadline is **June 26th**. We must have your payment in **full** by the deadline to hold a spot.

No electricity will be available. If you require electricity, you will need to bring your own (quiet) source.

Location: Prospect Street, spots are first-come, first-served
