2. END OF THE SCHOOL DAY: Upon dismissal, all students are to leave the school building unless they are participating in an extracurricular activity under the supervision of school district personnel or part of a special program. Students staying for after school activities should exit with their class, then report immediately to their assigned location. They may not go home then return for extra-curricular programs. Students who have activities in the gym must use their usual exit at 2:54 PM, walk through the schoolyard, and enter the gym using the main doors. They should not walk through the main hallway to get to the gym.

At dismissal all students must leave the school grounds immediately. No one may remain in the playground after school unless accompanied by a parent or designated adult. Students may not walk through driveways or on private property to go home or on their way to school in the morning. No pets allowed in the schoolyard.

3. MAIN ENTRANCE: Parents, visitors and late students must enter the building through the main entrance and report to the Front Desk.

- Parents must schedule an appointment to meet with school personnel
- No parents or visitors may go directly to a classroom AT ANY TIME.
- When students leave home in the morning, they must come directly to school. Once students arrive on campus, they may not leave. FOR YOUR CHILD'S SAFETY: Obey all parking regulations when dropping off or picking up children.

4. EARLY DISMISSALS: Scheduled early dismissals are announced in advance in the Monthly Calendar and The Philadelphia School District Website. Parents must make the necessary arrangements for childcare.

5. EMERGENCY EARLY SCHOOL CLOSING: In the event of an early school closing due to weather or any other emergency, students will be dismissed at the announced closing time.

6. LATE OPENING POLICY: In case of inclement weather, there is the possibility of a 10:00 AM or two-hour delay opening. If the news announces a late start or two-hour delay for Philadelphia, this means that students should report to Mayfair at the time indicated.

7. BREAKFAST PROGRAM: Free Breakfast is served daily to all students in grades K-8 and during advisory period in their classrooms.

8. PARENT PARKING AND SAFETY REGULATIONS: Please obey all parking, traffic and pedestrian regulations. The Philadelphia Police Department will issue tickets for violations around our school.

9. RIGHT TO REVIEW RECORDS: A parent or guardian has the right to review his/her child's school records at any time. If a parent desires to exercise this right, we do ask that the request be made in writing. Parents must be allowed to see their child's records within a reasonable period of time, but not later than 30 days after the school has received the request.

10. HOMEWORK POLICY: The School District of Philadelphia adheres to the policy that homework be assigned Monday through Thursday. Weekend homework assignments are encouraged in primary grades and should be expected in intermediate and middle school grades at Mayfair. Long-term assignments, reading logs, and similar assignments are part of daily and weekend homework.

We at Mayfair abide by this policy and request parents to review all homework assignments. A quiet, well-lit area should be provided for each student for completion of assignments. As students mature, assignments become increasingly difficult and more time should be allotted.

Completion of homework assignments becomes a part of a student's achievement and as such will be reflected in the student's report card mark. If a student is absent, missed homework assignments are obtainable from the classroom teacher in all grades.

11. VISITORS' POLICY: In order to maintain a safe and orderly environment, it is the School District's policy that any parent, guardian, or visitor entering the school must first report to the front desk. No one may go to any area of the school building without the express permission of the principal or his designee. Failure to adhere to this policy is in direct violation of the Trespass Ordinance and will be dealt with accordingly.

12. ONLY MATERIALS RELATED TO A STUDENT'S EDUCATION SHOULD BE BROUGHT TO SCHOOL. Mayfair strongly discourages students from bringing cell phones and other electronics to school. The school will NOT be responsible for lost, damaged, or stolen devices. Students who choose to bring their cell phones and electronics to school are expected to use them responsibly and may only use them in class when directed by the teacher. Students who fail to adhere to the teacher's cell phone and electronics policy will be required to serve a teacher consequence.

13. TEXTBOOKS/TECHNOLOGY: Students are responsible for the proper care of school property. Board of Education Policy #224 reads as follows: *The Board charges each student with responsibility for the proper care of school property and the school textbooks, supplies and*

equipment entrusted to his/her use. Students are responsible for the care, maintenance and timely return of all textbooks. Schools shall require students and/or parents to sign a compact acknowledging their responsibility for the care and prompt return of textbooks lent to them by the school. Students and/or their parents will be assessed penalties for lost or damaged textbooks. Imposition of one or more of the following penalties is permitted: a charge for replacement of the textbook; requiring the student to perform a prescribed number of hours of school service; withholding of a report card and/or loss of privileges such as participation in sports or other extra-curricular activities (including Spirit Day), proms and other special events or graduation-related activities.

Students are to conduct themselves in a silent and orderly way during a drill and treat each drill as if it were an actual evacuation due to a real fire.

FIRE DRILL PROCEDURES:

1. When the fire bell rings, all students line up in single file immediately and follow the teacher's instructions.
2. Follow the drill procedures, which are posted in each room.
3. Students on an errand, in the bathroom, or not with a class should join the nearest class exiting the building, notify that teacher, and remain with that class until the drill is over.
4. Every student must remain silent throughout the entire drill.

17. POLICY 102: MULTIRACIAL-MULTICULTURAL-GENDER EDUCATION The School District of Philadelphia envisions a society that will ensure respect for all cultures, dignity for all communities and justice for all people. The School District of Philadelphia expresses its commitment to achieving this goal by recognizing that Multiracial-Multicultural-Gender Education is indispensable in attaining this objective. Multiracial-Multicultural-Gender Education is an educational process designed to foster knowledge about and respect for those of all races, ethnic groups, social classes, genders, religions, disabilities, and sexual orientations. Its purpose is to ensure equity and justice for all members of the school community, and society as a whole, and to give those members the skills and knowledge they need to understand and overcome individual biases and institutional barriers to full equality.

18. SCHOOL SAFETY AND SECURITY The Mayfair School staff takes all possible precautions to insure the safety of every student. Exterior doors are locked during the school day. After 8:25 AM entrance to the building is only through the main door. No one is permitted access to any part of the building without permission from the office and the issuance of a visitor's pass. Any parent or visitor who does not have a pass will be referred to the office. School staff members are assigned to supervise students in the yard.

19. USE OF RESTROOMS Students should use the restrooms during lunch and recess. If students need to use the restroom during class, they must obtain permission from the teacher and transition with a designated pass. Special health circumstances should be shared with the school nurse and teacher in writing.

20. HEALTH SERVICES: The goals of Health Services are to detect specific health problems at an early stage and to facilitate their resolution.

- If your child complains of illness or injury at home, please address the concern before coming to school.
- Emergency care is provided for illness or injury. Further care and/or treatment are the responsibility of the parent.
- Chronic medical conditions such as asthma, diabetes, and behavior disorders must be reported to the nurse.
- Please notify the nurse and send in doctor's instructions if your child is injured, hospitalized, or seen at the Emergency Room.
- The parent must fill out the necessary forms if a medication needs to be taken at any time during the year even if this is only in sporadic situations. Any medication that is to be given at school must be brought to school by an adult and picked up by an adult. The

nurse as required will dispense the medicine. Please have the medicine in a prescription bottle with the name of the drug and directions for its use on the label as well as the name of the student.

- The school nurse can be reached at 215-400-3280. Call her regarding any medical matter involving a student.
