## REMINDERS:

**DID YOU NOTICE?** Our new speed limit signs have arrived and are installed! We are now beginning the process of informing everyone that the **Community Wide Speed Limit is 20MPH** unless otherwise noted...the cliff notes:

**FIREWORKS! Do you enjoy the challenge of getting donations from local businesses? If so, Camp Thunderbird would love to have you help with securing donations from local businesses. We had tremendous local support in the past, but sadly that has diminished in**

**current years...I think newcomers just don't know...please consider helping out by reaching out to our local businesses for support! Did you know that it is \$10,000 for each 10 minutes of show?**

The Camp would like to let our residents know that we are invited to enjoy the show on the water's edge next to the dining hall at the camp (750 Camp Circle West). Entry should be made from Commodore Point Road.

We all enjoy the fireworks each year. Since Lake Wylie Community Fireworks Display is funded solely through donations, your support of this wonderful event is really needed in order for the event to continue. **Please send your contribution in any amount now to:**

**Camp Thunderbird Fireworks Fund  
One Thunderbird Lane  
Lake Wylie, SC 29710**

Thanks very much for your support!

Have a great weekend River Hills!

Amy 😊
