| <p>校園安全地圖</p> |  <p>The map illustrates the layout of a school campus. At the top, there is a carport (車棚) and a north arrow. The main building contains classrooms (e.g., 音樂教室, 自然教室, E化教室, 電腦教室, 圖畫室, 四甲, 三甲, 二甲, 一甲), restrooms (廁所), and administrative offices (校長室, 辦公室, 活動教室). To the left of the building are green spaces: 果園 (orchard), 有機菜園 (organic vegetable garden), and 桃李園 (peach and plum garden). To the right are 有機菜園 (organic vegetable garden), 綜合球場 (comprehensive sports field), and 半戶外球場 (semi-outdoor sports field). In the center is a large 操場 (playground). Below the playground is a 溜冰場 (ice skating rink). Five red circles mark specific areas: 1.溜冰場, 2.南邊樹下 (under the trees on the south side), 3.桃李園, 4.車棚與倉庫 (carport and warehouse), and 5.果菜園 (fruit and vegetable garden).</p> |
| <p>危險角落</p>   | <p>1.溜冰場<br/>2.南邊樹下<br/>3.桃李園<br/>4.車棚與倉庫<br/>5.果菜園</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

 標示處為校園內較少人活動之區域，學校不定時宣導(非必要不到這些區域)，並加強巡邏區域
