

<b>Full Project Number, Title, Nickname</b>		<b>6.0, Agroecology Files, AEF.</b>
<b>Rough TimeFrame</b>		2013, then sat on it until March-May 2018.
<b>In Process Reflections</b>		Learning how to make videos daunted me for a long time. This is the big function of this project... Lillian, Johnny, and Sinead really helped me.
<b>Project To Date</b>	<b>Document Organization</b>	Done, good having to watch the videos over again made me focus on the essentials, there are more vids to go through later.... maybe
	<b>Outline Concept Map</b>	It was the first thing that happened!
	<b>Image Selection</b>	NA
	<b>Slideshow Eng/Sp</b>	NA
	<b>Story Eng/Sp</b>	NA, perhaps a commentary on each when they are released.
	<b>Bibliography Status</b>	Nope
	<b>Outcomes to Date</b>	<b>Skills: Making footage, planning a video series, Video editing(splicing, title pages, crossfades)</b> <b>Evidence: 8 AEF videos! Channels: Archivos de Regeneración, JAE, chuñatec...</b>
<b>Project Future</b>	<b>Loose Ends To Tie</b>	Handbreak or other software to reduce file size as I am ready to publish these... Commentary on where it lives up to Regeneration and not.
	<b>Outcomes Desired &amp; Potential Finalities</b>	Aggradist for sure.
	<b>Resources Needed</b>	nothing
	<b>Skills Needed</b>	nothing
	<b>Resource Leads</b>	nothing
<b>General Reflections</b>		Mid May 2018 I started youtube channels, theres a limit to 2 per phone, I may do a Reg Files for all the reg and agroecology things and a Jorge for artsy things... Chuñatec and however many I want more for vids shorter than 15 minutes....
