1. Insert the description of the program as it will appear in the catalog:

The Early Childhood Education/Child Associate Teacher Certificate is designed to meet the needs of people planning a career working with young children in early childhood education settings and/or those who are already employed. The certificate is aligned with the Child Development Permit Matrix. Caring for children from birth through school-age, in professional settings outside of the home are the primary focus. Children's growth, early childhood programming and curriculum, as well as working with diverse families are major components of the program.

2. Provide a brief rationale for the program:

This is the first certificate in a sequence of two that will prepare students to apply for their Child Development Permit through the CA Commission on Teacher Credentialing, to work in the field of early childhood education, and to transfer to BS-level programs. These two certificates, together, will replace an existing 24-unit certificate of achievement.

Foothill College	ECE/CD	Nicole Kerbey	No adverse impact

6. Include other information you would like to share.

This stackable certificate was designed to prepare students for their first-level Child Development Associate Teacher Permit, issued by the Commission on Teacher Credentialing. It includes a college success class and 3 units in the Social Sciences. It will be followed by the Teacher Certificate with will prepare student for next-level Child Development Teacher Permit. By including GE courses we hope to clarify the pathway and undergird persistence and success as students work toward tangible goals that forward their careers and avail them to promotions and salary increases.
