

## quotes

keeping our distance determines our existence  
our health depends on everyone else  
we will get by , we will survive  
our doc rocks!  
we're in this together... apart  
after every storm comes a rainbow  
standing together in solidarity 6 ft apart  
beating this virus one heart at a time  
the force will be with you always  
be kind, stay healthy  
dump trump  
we will get through this  
be back soon  
we love you  
keep calm and carry on  
stay classy, stop hoarding  
the only thing we have to fear is fear itself  
don't worry, be happy  
a life lived in fear is a life half lived  
things could always be better, but things could always be worse  
better to be busy than to be busy worrying  
If you're going through hell, keep going  
That which does not kill us, makes us stronger  
Life isn't about waiting for the storm to pass. It's about learning how to dance in the rain  
When the world is running down, you make the best of what's still around.  
This too shall pass  
Praise and blame, gain and loss, pleasure and sorrow come and go like the wind  
dawn comes after the darkness  
keep safe and vigilant  
Everything will be okay in the end. If it's not okay, it's not the end.  
everything will be alright  
#I'm staying home  
While there is life, there is hope  
don't give up  
severe adversity opens our eyes  
we're in this together.  
You are Loved  
we love you  
Stay the fuck home  
Flatten the curve  
We can literally save lives by doing nothing  
Stay at home and save a life  
Stay home save lives  
catch it, bin it, kill it  
d.a.b. (destroy all bacteria)  
dab when you cough, dab when you sneeze

stop the spread  
Say it, dont spray it  
Trumpvirus (picture)  
Do the five (google)  
Save yourself  
its not the flu  
Its 30x deadlier  
Dont touch your face  
Keep 2m away  
Dont roam, stay home  
Shutdown Anywhere Means Shutdown Everywhere  
Take  $r_0$  to less than one, for the crisis to be done

Be proactive, not reactive.  
2 meters distance determines our existence
