Section 2: Video Response

Submit a single video (3–5 minutes) where you introduce yourself and respond to the following questions:
(Add this as a **long paragraph description field**, followed by a **video link field**.)

General Questions (For everyone):

- Why do you want to be part of the TinkerHub Core Team?
- Tell us about a time you took initiative in your campus or community.

- How do you plan to balance this role with your academics and other commitments?

Answer the following questions based on the role(s) you selected above.

Learning Coordinator:

- Propose a sample Study Jam or learning series you'd like to run on your campus.
- best learning program you part off / learning experience
- How would you support students who wish to learn or build something?

Outreach Lead:

- share a plan to showcase your community makers to inspire other people
- How would you explain TinkerHub to someone who's never heard of it?

WIT Fellow:

- What challenges do women and marginalized genders face in your campus tech spaces?
- Share one initiative or event you'd like to run to support them.

First Year Coordinator:

- How would you engage first-year students in their first 30 days on campus?
- Share one idea to make them feel welcome and excited about tech.

Other (if mentioned):

- Define your proposed role.
- How does it add value to your campus chapter?

Video Link (Google Drive or YouTube Unlisted preferred):
(Paragraph answer field)

Section 3: Commitment

- Can you commit 6–10 months of active time to the TinkerHub Core Team?
  (Yes/No)

- Do you agree to attend all mandatory camps, meetings, and learning programs during your term? (Yes/No)
- Do you currently hold any other roles or responsibilities that may affect your availability? (Paragraph answer)
