

Connecticut State Department of Education
21st Century Community Learning Centers
End of Year Assurance Form

A designated representative for each 21st Century Community Learning Center (21st CCLC) must sign and submit this form by **June 30th, 2021**.

Due to the ongoing Digital Evidence Binder Conversion process, the following two items are temporarily on hold for the End of Year Assurance Form. When traditional and/or modified programming resumes in Fall 2021, these requirements must be followed and attested to.

- 1.) *The Monitoring Evidence Binder (containing all required documents outlined in the [CT 21st CCLC Monitoring Tool](#)) is complete and available for on-site review by the CT State Department of Education or its affiliates.*
- 2.) *If a Monitoring Review was conducted this year, all findings identified in the Monitoring Report have been addressed, and updated documents are included in the evidence binder.*

As a **2020-2021** 21st CCLC grantee I attest to the following:

- All non-consumable items purchased with 21st CCLC funds are marked and used solely for the purposes of the program.
