Once logged into Genesis Parent Portal, we are asking the parents of rising 9th grade students to assist your children in selecting a MINIMUM of 10 electives. Elective choices can be found on the Scheduling Tab (menu) then REQUESTS. Course descriptions can be viewed by clicking on the course name, or for more information, you can find our entire Program of Studies on our Guidance webpage of our school website (www.lvhs.org - Guidance tab). Once all electives have been chosen, click "SUBMIT".

Please be aware that all core academic classes are based upon the 8th grade teacher recommendations. The middle school guidance department has mailed a copy of these recommendations to your home and provided another copy to the high school guidance counselors.

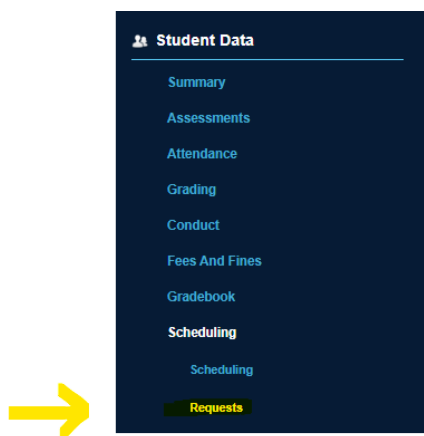

The deadline to select and submit courses through Lenape Valley Genesis Parent Portal is Friday, January 12, 2024.

The next stage of the scheduling process includes a virtual scheduling meeting with the high school guidance counselor. The middle school counselors have graciously scheduled these meetings and will be facilitating the student participation in the meeting, as well as providing you with information regarding the meeting time, date, and Google Meet link. We hope you can log on to the meeting and join us in finalizing the core academic and elective course requests.

We plan to conclude these virtual scheduling meetings by Friday, February 2, 2024.

Welcome to Lenape Valley!
