

Staff Shout Out!

Meet Ms. Lyons...

All about me...

I am a mother of 4, grandmother of 4! I graduated from CMU. I love my job, but I will be eligible for retirement in 3 years because I have taught at Beaverton for 28 years!

Years Taught: 28 years!! WOW!

My WHY for teaching...

I have always enjoyed learning for myself, and I find talking/playing with children delightful! I feel in my current position that I can make a difference in the lives of children, which makes this job rewarding and fulfilling!
