

SSV Tennis Executive Committee Meeting Minutes

1/22/2022

3:00 p.m.

Open & Welcome: Larry Delp called the meeting to order at 3:05.

Present: Larry Delp, Rod Gamble, Terry Garrett, Linda Miller, Glenn Holden were present. Also attending the meeting were Peg Oberg and Judy Sheridan-Christensen.

Corrections or Additions to Minutes: None

Treasurer Report: Terry Garrett reported the following:

Checkbook balance: \$\$29,000

Membership count: 265 paid members; 92 Rec Members and 157 League Members.

Officer's Reports:

President: Larry Delp gave an update on League Tencap. There are presently 1052 League members and 477 Rec League Members. Ken Borley of Mesa Regal was elected as VP Elect. The annual MCI report is due in March (drop-dead date is April 15). Captains need to start canvassing their players now as to their playing status for next season. Teams with more than two Clubs will be adopting a 3-letter name (like SSV or SVE). Eleven out of sixteen EVSTL Clubs had League REC matches this season. EVSTL's number one problem is attracting new tennis players, as Pickleball continues to attract beginners far more than tennis.

Vice-President: Rod Gamble reported on the EVSTL one-time re-evaluations for 1.5 and 2.0 players which was a learning experience. Seventeen players were rated and nine moved up a level. Also, the 75+ League is up and running with 23 players. Dick Schwartz is their captain and they play on Saturday mornings.

Old Business:

- We still have two North Court benches left for players to purchase.

Member-at-Large: Glenn Holden
