

SUN THAT NEVER SETS

*Thou the sun that never sets,
Thou the sea without a shore,
Thou the fount with source nor end,
The eagle that ever soars.*

*Thou the mount that peaketh not,
Thou the unalloyéd ore;
Thou the rose that ever blooms,
Thou the ever open door.*

*Thou the morn that fadeth not,
Thou the eve that's ever day,
The tree whose leaves wither not,
Flow'ring field without decay.*

*Thou the flame that ever burns,
Thou the moon that never wanes,
The wind that bloweth ever,
Wave that cresteth e'er again.*

*Thou the leaf that never turns,
Thou the stream that never ends,
The rain that ever falleth,
Winding path that ever wends.*

*Thou art the eternal Son,
Thine the never-ending love,
Endless Grace and boundless hope,
Hope of all below, above.*
