

# American Citizen Final

The American Citizen Final will be a project based final. In this project, you will be asked to write a letter to your representative or senator in the United States Congress. Our hope is that by sending this letter, you will also receive a response from your member of Congress. We will work on this project in several parts...

## Part Two: What is the Problem?

1. Let's recap... Who is the member of Congress that you will be writing to?
2. What is an issue that you want to talk to your member of Congress about?
3. Research a few statistics, facts, or write a personal anecdote (story) about your issue?
4. What can your member of Congress do about the issue that you are writing about? Make sure to be specific...
