VARDHA KHARBANDA

Chicago, IL ▪ Vkharbanda@hawk.iit.edu ▪ (516) 838-7932 ▪ [linkedin.com/in/vardhakharbanda](https://www.linkedin.com/in/vardhakharbanda) ▪ www.vardhakharbanda.com

EDUCATION

- 08/2022- Present **Illinois Institute of Technology**
Ph.D. student, Clinical Psychology Program
Advisor: Dr. Nikki Legate
- 08/2019- 08/2021 **Adelphi University**, New York, NY
Master of Arts in General Psychology with Specialization in Substance Use Counseling
Master's Thesis: *Understanding the Relationship between non-suicidal self-injury, substance use, and family characteristics in American Youth.*
Primary Advisor: Dr. Carolyn Springer
GPA: 4.0
- 07/2016- 05/2019 **University of Delhi**, New Delhi, India
Bachelor of Arts in Psychology
Cumulative GPA: 7.568/10 (magna cum laude)

RESEARCH EXPERIENCE

- 08/22/2022-Present **Research Assistant**
IIT's Promoting Autonomy, Thriving and Health
About: *Based at Illinois Institute of Technology in Chicago focuses on exploring how relationships, guided by self-determination theory, promote autonomy, thriving, and health, particularly among individuals from marginalized groups like LGBTQ+ individuals.*
www.iit-path.com
- Conduct in-depth research on relationships guided by self-determination theory.
 - Emphasize autonomy, thriving, and health in the context of marginalized groups, especially LGBTQ+ individuals.
 - Implement self-determination theory to understand and analyze relationship dynamics.
 - Address unique challenges and experiences of marginalized groups in research methodologies.
 - Contribute to academic discourse through publications and conferences, advancing knowledge in the field.
- 04/01/2023-Present **Clinical Research Associate**
IIT's Center for Health Equity, Education, and Research (CHEER); Chicago, IL
About: *committed to tackling health disparities by conducting research, providing training, and implementing community-focused solutions.*
- Collected data from research participants through online surveys, in-person surveys, and personal interviews.
 - Maintained security and confidentiality of research data.

- Assisted in maintaining compliance with Institutional Review Board (IRB) and funder requirements.
- Completed administrative tasks related to the research project as needed.
- Organized meetings and ensured smooth communication among team members.
- Collaborated with other offices across campus to facilitate project coordination.
- Adapted to and efficiently handled additional tasks that arose during the study.

01/2023-06/2023

Research Assistant for Dr. Abigail Gamble

John D. Bower School of Population Health

University of Mississippi; Jackson, MS

Project Title: CEnR: Maternal & Child Outcomes for Teen Moms in Mississippi

- Conduct literature reviews and assist in the development of research proposals and protocols related to maternal and child health outcomes for teenage mothers in Mississippi.
- Assist in collecting, managing, and analyzing data from various sources, including surveys, interviews, focus groups, and medical records, using appropriate statistical and qualitative methods.
- Assist in the dissemination of research findings through conference presentations, manuscript writing, and community outreach efforts, and contribute to the development of policy recommendations and intervention strategies aimed at improving maternal and child health outcomes for teenage mothers in Mississippi

05/2021- 09/2022

Research Assistant for Dr. Carolyn Springer

Gordon F. Derner School of Psychology

Adelphi University; New York, NY

Project Title: AIM 4 Teen Moms (Department of Health and Human Services, USA)

- Managing project communication with other collaborators.
- Developing the impact report, coding, and verifying data in accordance with the protocols.
- Performing statistical analyses including regression analyses, ANOVA, etc.

01/2021- 08/2021

Research Assistant for Dr. Dolapo Adeniji-Neill

Ruth S. Ammon School of Education, College of Education and Health Sciences

Adelphi University; New York, NY

- Assisted with literature review and coordinated with libraries to participate in open-access publishing models.
- Managed secondary data and summarized results regarding open-access publishing models.
- Instructed undergraduate students with projects, classes, grading of assignments, etc.

08/2020- 08/2021

Research Analyst for Dr. Kirkland C. Vaughans

Gordon F. Derner School of Psychology

Adelphi University; New York, NY

- Facilitated exploratory research focusing on intergenerational transmission of trauma among African Americans.
- Assisted with data analysis and generating correspondence, reports, and graphics.

05/2020- 03/2021

Research Analyst for Dr. Wahiba Abu Ras

School of Social Work

Adelphi University; New York, NY

- Collaborated with the team in Qatar and other research assistants to manage communication for the project titled “The psychosocial effects of the blockade in Qatar”. Conducted a thematic analysis of data, summarization, and discussion of results.

05/2020- 09/2020

Research Analyst for Dr. Shilpi Sinha

Ruth S. Ammon School of Education

Adelphi University; New York, NY

- Conducted extensive literature on multicultural issues within education, education for justice and equity, and the effectiveness of different forms of dialogue.
- Explored post-modern themes of education, anti-racist pedagogy, media, and production of the effect.

08/2019- 05/2020

Graduate Assistant

International Services

Adelphi University; New York, NY

- Performed comprehensive quantitative analysis using SAS and SPSS to study the academic outcomes of international students and other scholars at Adelphi University.

CLINICAL EXPERIENCE

07/2023-Present

Clinical Neuropsychology Extern

The University of Chicago, Chicago, IL

*About: An advanced training in clinical neuropsychology, conducting comprehensive assessments for a variety of neuropathological conditions.**Aligned with APA Division 40 and Houston Conference guidelines, focusing on both outpatient and inpatient cases.*

- Conducted in-depth clinical history and collateral interviews to obtain comprehensive patient backgrounds.
- Trained in tests like D-KEFS, WAIS-IV, WASI-II, Woodcock-Johnson, Wisconsin Card Sorting Test, Stroop, Trails, WRAT-5, etc.
- Administered, scored, and interpreted neuropsychological test batteries for conditions including dementia, seizures, OCD, Alzheimer’s disease, etc.
- Developed and wrote detailed neuropsychological reports, integrating test results with clinical observations.
- Formulated case conceptualizations and contributed to the selection of appropriate assessment strategies.

- Presented findings through oral presentations and participated in case discussions within multidisciplinary teams.

07/2023-07/2024

Behavioral Health Services Extern

Advocate Illinois Masonic Medical Center

About: committed to tackling health disparities by implementing community-focused solutions. The therapy and assessment services are tailored to the needs of a diverse minority community, contributing to the clinic's mission of fostering cultural sensitivity and inclusivity in mental health services.

- Deliver individual, family, couple, and group therapy within Advocate Health Illinois Masonic Medical Center's Behavioral Health Services, addressing diverse mental health needs, particularly within minority populations.
- Apply evidence-based treatments, such as CBT and DBT, in a practitioner-scholar training model, integrating literature and research into clinical practice.
- Receive a minimum of two hours of weekly structured supervision, ensuring ongoing competency-based development in a current externship role.
- Collaborate with interdisciplinary teams, including psychiatrists and physicians, to gain exposure to a wide range of medical and behavioral health presentations, enhancing interdisciplinary consultation skills.
- Contribute to reducing health disparities by actively participating in community-focused solutions and implementing inclusive mental health services.

09/2022- 03/19/2023

Psychological Assessment Examiner

Chicago Public Schools; Chicago, IL

About: aims to provide academically advanced students with a challenging school environment through the gifted and classical programs.

- Administer individual and group achievement testing with 4-5-year-old children for placement in CPS' selective enrollment programs.
- Appropriately diffuse any issues that arise with students during testing.
- Work with parents regarding scheduling, the content of the tests, and testing accommodations.
- Work closely with the project manager and administrative staff.

09/2021- 08/2022

TEACHING EXPERIENCE

Instructor, Introduction to Psychopathology (PSYCH 303)

Fall 2023, Fall 2024

Instructor, Introduction to Psychological Science (PSYCH 221)

Summer 2023

MENTORING EXPERIENCE

02/29/2024

Judge, BIO 545 Advanced Cell Biology Class Presentations
Illinois Institute of Technology

- Evaluated student presentations designed to communicate recent bioscience discoveries to lay audiences.
- Assessed effectiveness in conveying complex scientific concepts without technical jargon, contributing to the development of student's communication skills in science advocacy.

07/2022-07/2024

Mentor
Psychin' Out PhD. Application Mentorship Program

- Mentored over 10 students from minority and underserved communities, providing guidance throughout the PhD application process.
- Assisted students in understanding the intricacies of PhD

applications, including selecting programs, preparing application materials, and navigating admissions requirements.

- Collaborated with students to craft compelling and competitive applications, focusing on highlighting their unique strengths and experiences.
- Successfully supported six students in gaining admission to PhD programs on their first attempt, demonstrating the effectiveness of personalized mentorship and support.
- Fostered an inclusive and empowering environment that encouraged students to pursue advanced academic opportunities despite systemic barriers.

PROFESSIONAL LICENSURE

New York Certified Alcoholism and Substance Abuse Counselor Trainees (CASAC-T)
License Validity: 2021-2026

PROFESSIONAL AFFILIATIONS

Student Representative, Diversity Committee: [APA Division-18](#)
Chair, [American Psychological Association of Graduate Students \(APAGS\) Convention Committee](#)
