

Section 7.03: Double A Division

1. Each game will consist of no more than six (6) innings OR 1 hour 45 minutes, whichever occurs first. If a new inning is started prior to the 1 hour 45 minutes mark the full inning must be completed, with the exception being if the home team were ahead, the bottom of that inning would not be played. There will be no extra innings in the event of a tie.
2. Four (4) completed innings will constitute a regulation game. The mercy rule will apply when the winning team is up by 10 runs or more and four (4) innings have been completed. If a game ends in a tie, the tie will stand.
3. Umpires will wait 15 minutes after a scheduled game time before calling a forfeit. At that point it is highly encouraged to have a scrimmage game to allow the players at the field to play a game.
4. The player occupying the defensive position of catcher must wear full protective equipment, including a catcher's mask and protective helmet, shin guards, and a log model chest protector with throat guard. All male players must wear a protective hard cup. All female catchers must wear a soft cup.
5. Teams must start with a minimum of 9 players or the game is considered a forfeit and reverts to a scrimmage game.
6. The Double A Division **may only score 4 runs per inning**. The home team may bat in the bottom of the 6th inning, even if they do not have a chance to win, as long as there is time left in the game. The umpire will consult with both Managers to decide if they are in agreement to play the bottom of the 6th. *(Note: Four run rule is implemented due to pitch count restrictions. It helps with pitches per inning)*
7. **Stolen bases are allowed. Only one base per pitch is permitted.** If a catcher tries to throw out a runner and overthrows the runner may advance. However, if that ball is overthrown the ball is dead and the runner may not advance to another base.
8. **One base per overthrow-** Ex: Overthrows at first base: runner can take 2nd at their own risk, but no additional bases. Defense can attempt to throw the runner out if they recover the ball in time. If that ball is overthrown the ball is dead and runner may not advance to 3rd.

9. The Double A Division is allowed to have three (3) adults in the dugout/field area during games. Adults allowed are one (1) Board approved/ Rostered Manager and two (2) Board approved/Rostered coaches. One (1) Manager/Coach must always remain in the dugout area.
