POSITION

ABOUT THE COMPETITION FOR THE BEST DORMITORY ROOM

Temirtau

1. General Provisions.

The competition for the best dormitory room (hereinafter - the "Competition") is held at the Karaganda Industrial University (hereinafter - KIU) for university students / undergraduates living in hostels.

The competition is aimed at improving educational work in dormitories, increasing social and social activity of students.

Organizers of the competition: Youth Affairs Committee, Student Council of the hostel.

2. Competition purpose:

Attracting students / undergraduates to direct participation in activities to improve the quality of living conditions in dormitories of the Karaganda Industrial University

3. Competition Objectives:

- Systematization of organizational measures to maintain order and rules of residence.
- Coordination of interaction between the leadership of KIU and student self-government of the university and hostels.
- Optimization of living and living conditions of students / undergraduates of hostels.
- Formation of respect for property.
- Promoting the effective work of student self-government in dormitories.

4. Competitors.

The participants of the competition are students / undergraduates living in dormitories of the Karaganda State Industrial University.

5. Conditions of the competition.

1. The competition is held once a year.
2. The competition is announced at the beginning of the school year, the results are summarized at the end of the school year.
3. The competition is held in accordance with the content in three stages:
 - 3.1. The first stage - all dorm rooms are involved. The commission conducts an initial selection and determines the participants moving on to the next stage. Composition of the jury: members of the student council of the hostel, chairman of the KMU, president of the student parliament and director of the department of educational work and youth policy of KIU.
 - 3.2. The second stage - among the rooms that passed in stage 2, the commission, in accordance with the criteria, selects the applicant rooms, sets points.
 - 3.3. The third stage - a committee of applicants determines the best room.

4. The following main evaluation criteria are taken into account during the competition: coziness and cleanliness, creative approach to room design, greening of rooms, conditions for classes, duty on public places, participation in community work days, neighborhood relations, etc.

5. The jury approves the overall result of the competition, the results are published on the website and social networks of the university.

6. Summing up and rewarding contest participants.

The results are summarized by the jury (from among the organizers of the competition) on the basis of the approved regulation on the competition for the best dormitory room.

According to the results of the contest "The Best Dormitory Room", participants are awarded with diplomas and valuable prizes.
