

EMAIL SHORT COPIES.

Who am I talking to: The avatar is a person who has a problem in focusing on the creativity parts of their job.
Where are they now: He is in a situation where he has tried a lot of products which were not the solution they need.
Where do I want them to go: I want them to click the link that will send them into a sales page for the product.

DIC:

Subject line: Coffee is not the solution!

Coffee and every other beverage that contains caffeine, has that same outcome every one of us seek...

And what is that? FOCUS...

The sad part about those drinks is that the focus we gain is just for a short period of time.

What if I need to finish my deadline project in time?

“Oh right.. I will have that 3rd cup of coffee of the day and I’ll be fine.. I guess..”

Imagine if there was a perfect product.

One that could offer you more than just a few hours of focus.

A product that contains 28 high-purity, biologically available ingredients that help improve four crucial areas of your brain performance:

Mental energy, Motivation, Mental focus, and Memory.

What if I told you that we made this imagination into a reality?

But how? you ask..

The answer is Qualia Mind.

So what do you need to do? Just follow the recommendations for the portions you need to have daily..

And the outcome is a GUARANTEED SUCCESS.
