1 RULES

1.1 For all classes except the Optimist Green Fleet, the regatta will be governed by the rules as defined in The Racing Rules of Sailing. For the Optimist Green Fleet, the NZIODA Optimist Green Fleet Rules for Racing will apply.

1.2 The Yachting New Zealand Safety Regulations Part I shall apply.

1.3 Under RRS 86, Changes to The Racing Rules, the following racing rules are changed:

- RRS A4, Low Point System, and A5, Scores Determined by the Race Committee, will be changed to state that a boat starting later than four (4) minutes after her starting signal will be scored Did Not Start.
- For the Optimist class, RRS 35, Time Limits and Scores, A4, Low Point System, and A5, Scores Determined by the Race Committee, will be changed to state that boats still racing but failing to finish within the Finish Window after the first boat in its fleet sails the course and finishes will be scored SRS, "Still Racing Score". This score will be three (3) points more than the last boat to finish in the fleet of that race but not more than DNF.
- A boat intending to protest shall, in addition to the requirements of rule 61.1(a), Inform the Protestee, immediately after finishing, before approaching any coach or support vessel, inform the race committee on the finish boat of her intention to protest and the identity of the boat(s) protested. The protesting boat must receive an acknowledgement from the race committee. This changes rule 61, Protest Requirements.

The changes will appear in full in the sailing instructions. The sailing instructions may also change other racing rules.

1.4 Appendix P, Special Procedures for Rule 42, will apply as amended by the sailing instructions.

1.5 Appendix T, Arbitration, will apply.

1.6 Appendix G3, Chartered or Loaned Boats, will apply.

2 ADVERTISING

2.1 Boats may be required to display advertising chosen and supplied by the organising authority. If this rule is broken, World Sailing Regulation 20.9.2 applies. [DP]

3 ELIGIBILITY AND ENTRY

3.1 The regatta is open to boats of the Optimist and Starling classes.

3.1.1 For the Optimist Green Fleet:

The Optimist Green Fleet is open to less experienced Optimist sailors. The emphasis is on fun and the objective of this regatta is to offer younger siblings and less experienced sailors the opportunity to sail and participate without their feeling the need or burden to sail in the more competitive Open Fleet.

In the Optimist Green Fleet equipment used is not required to hold current measurement certificates (alters International Optimist Class Rule 2.4.1) but all hulls shall carry valid World Sailing plaques.

The objective of this regatta is to offer less experienced sailors the opportunity to sail in a Green Fleet regatta at the same venue as an Optimist Open Fleet regatta. It is unlikely that Optimist Green Fleet sailors will have sailed in an Optimist Open Fleet regatta of more than 40 boats.

It is expected that Optimist Green Fleet Sailors will:

- be 12 years and under;
- have sailed for less than 2 seasons;
- have not previously raced outside of Optimist Green Fleet except at regattas where no Optimist Green Fleet racing was offered;
- on achieving a podium finish in a NZIODA ranking regatta green fleet or the Sir Peter Blake Torbay regatta, or three or more podium finishes in other green fleet regattas the sailor shall advance to the open fleet.

Regatta officials should refuse an entry from a sailor who they believe should be entered in the “Open” fleet racing

3.1.2 For the Optimist Open and White Fleets:

Entry is open to all boats of the Optimist class that have all valid measurement certificates and have passed the regatta registration.

3.1.3 For the Starling Development Fleet:

The Development Fleet is to encourage less experienced and less confident Starling sailors to sail and participate at major Starling regattas. To be eligible to race in the Development Fleet a competitor shall not have previously raced in Open Fleet except at regattas where no Development Fleet was offered.

3.1.4 For the Starling Fleet:

Entry is open to all boats of the Starling class that comply with the Starling Class constitution and class rules.

3.2 Eligible boats may enter by going to

<https://kyc.org.nz/auckland-optimist-and-starling-champs/>

and complete an on-line entry form and pay the correct entry fee by 0900 on Monday 23rd January 2023.

3.3 Late entries, accompanied by an additional late entry fee of \$80 may be accepted at the Race Committees discretion. No entries will be accepted after 1900 hours on Friday 27th January.

3.4 To be eligible to compete in this event each competitor shall be a current financial member of a club recognised by the competitor's national authority and for the Optimist Fleet of NZIODA (or of the national optimist association in their country of residence) and for the Starling Fleet of the Starling Class Association of NZ Inc.

3.5 All competitors are automatically entered into the 2022 Auckland Anniversary Day Regatta on "Monday 30th January". Further details can be found on the regatta website www.regatta.org.nz.
