ADOPTION OF POLICY

The board will give notice of adoption of new policies by placing the item on the agenda of two regular board meetings. This notice procedure will be required except for emergency situations. If the board adopts a policy in an emergency situation, a statement regarding the emergency and the need for immediate adoption of the policy will be included in the minutes. The board will have complete discretion to determine what constitutes an emergency situation.

The final action taken to adopt the proposed policy will be approved by a simple majority vote of the board at the next regular meeting after the meeting allowing public discussion. The policy will be effective on the later of the date of passage or the date stated in the motion.

In the case of an emergency, a new or changed policy may be adopted by a majority vote of a quorum of the board. The emergency policy will expire at the close of the third regular meeting following the emergency action, unless the policy adoption procedure stated above is followed and the policy is reaffirmed.
