After-School Program Enrollment for Working Families

We understand how essential after-school care is for working families, and we remain committed to providing a safe, enriching environment where your child can learn, grow, and thrive while you're at work.

Due to recent grant funding reallocations, we must make adjustments to sustain our after-school program and continue offering high-quality care and support to families in our community.

Program Details:

- Cost: \$110 per week, per student plus \$100 registration fee
- Payment: Due in advance or may be paid quarterly
- Where DHS child care subsidies are accepted and highly encouraged! More families qualify than you might think so please reach out to us for help in this process!
- Important: The weekly fee is per student, regardless of the number of days they attend. This allows us to maintain consistent staffing, supplies, and programming for all participants.

Minimum Enrollment Requirement:

To continue offering this program, we must maintain a minimum of 13 enrolled students at all times (max 30). Payment must either be pre-paid in full weekly at the weekly rate or be covered through the DHS child care subsidy.

We recognize that changes in funding can impact families, and we are here to support you. If you have questions about payment options or how to apply for DHS assistance, please reach out—we're happy to help and more families qualify than you might think!

Thank you for your continued support and understanding as we work together to keep this important program available for our families.

Thank you for trusting us to support your family!

Please reserve your student's spot by filling out the linked [Reservation Form](#) or QR code.

All the best!
