Ava

Rescue Date: 4/23/24
Rescued from: Bowie Texas Livestock
Height: 17 hands
Approximate age at rescue: 16 years
Gender: Mare
Breed: Belgian Draft Horse

Care generously sponsored by: Trudy M Slater (8/25/25) in memory of her beloved Great Dane “Ava”

Story:
Ava was posted at Bowie Livestock in April of 2023. She was in decent shape, however she did have a cancerous growth on her left third-eyelid. We had the growth removed immediately, and it healed quite nicely. She now lives out her days hanging out with Pearl, Arabella, and Lilah, grazing on hay and getting all the love!
